

The Borne Collective: Presentation

Use Case Diagram

Actors

- User
- Registrar
- System Administrator

User Actions

- Post Thread
 - Post Question
 - Post Answer
- View Thread
 - View Question
 - View Answer
- Upload Resource
- Download Resource
- View Profile
- View Class

Registrar Actions

- Manage User
 - Add User
 - Edit User
 - Delete User
- Upload Via CSV

System Administrator Actions

- Manage Thread
 - Edit Post
 - Delete Post

Potential Changes

- Should faculty be a separate actor from student?

Next Steps

- Setting Up Trello
- Establishing environment with Ruby on Rails
- Planning first sprint
- Assigning design/coding tasks to each person
